

Jetty Beach House

COFFS HARBOUR

Jetty Beach House was born of a passion for fine food, flowing drinks and unbridled revelry. We are a festival of the finer things that the Coffs Coast has to offer, and we honour the Gumbaynggirr country upon which we stand.

From our grassy lawns to our spacious veranda, every glance offers an ocean vista. Lapping waves, celebratory sunsets and always a whisper of the scent of the sea. From ceremony to photography and all else between, we have spaces for you to cherish, and always to remember.
